## Greetings from the Department of Medicine, Father Muller Medical College

Internal Medicine is an ever evolving field, with changes in practice occurring at a rapid pace. In a time and age where information is readily available over the internet, it is of paramount importance that we, as physicians, stay updated with recent advances and guidelines. This ensures a high quality of patient care and better outcomes.

Father Muller Medical College proudly celebrates 25 years since commencement of the MBBS course, and in commemoration of this, 2023-24 has been declared the Silver Jubilee year of the MBBS course. In commemoration of this, the Department of Medicine, Father Muller Medical College is organising a two-day South zone conference, "ARGENTUM - 2024", on **Practice Changing Updates and Recent Advances in Clinical Medicine**, on the 6th and 7<sup>th</sup> of January, 2024, at the Decennial Memorial Hall, Father Muller Medical College. We are privileged to have eminent physicians and specialists from in and around Karnataka on the panel of speakers. These speakers include alumni of Father Muller Medical College, who are experts in their respective fields and are proud to set foot in their alma mater once more, to guide the future physicians in their pursuit of excellence. Included in the conference is an exciting quiz for postgraduates, podium/E-poster presentations, a session on the interpretation of ECGs, and multiple clinical sessions to enable our postgraduates to gain confidence in the art of clinical diagnosis.

Register early to take advantage of this knowledge packed conference.

Yours sincerely

Organising Committee

## Organising Committee

**Dr Roshan M**

Organising Chairman

**Dr Jeffrey Lewis**

Organising Secretary

**Dr Venkatesha B M**

Convener

**Dr Archana Bhat**

Treasurer

### Scientific Committee
