Focused Obstetric Course
An Introduction,
An Inspiration

Date :
20th & 21st
April 2024

Venue :
Decennial Memorial Hall
Father Muller Medical College
Mangalore

A Comprehensive two day certificate and Skill training course-tailored for the postgraduates and those aspiring to dive into the field of ObGyn and its specialities.

Over the course of two days, you'll be guided by leading experts in obstetrics and gynaecology, luminaries who have dedicated their lives to unraveling the complexities of pregnancy, childbirth, and women's health. Through engaging lectures, interactive workshops, and hands-on simulations, you'll delve into a comprehensive array of topics that will enrich your practice for years to come.
