WORKSHOP ON 'A STEP AHEAD IN RESEARCH'

**Date: 20th July 2019
Venue: AV Hall, Knowledge Centre**

KSNC Credit Points will be Awarded

Dear Friends,

We are pleased to announce that a Workshop on 'A step ahead in research' will be organized by Alumni Association of Father Muller College of Nursing on 20th July 2019.

Research conducted by nurses includes various types of studies in order to derive clinical interventions to assist those who require nursing care. The complexity of nursing research and its broad scope often require scientific underpinning from several disciplines. Hence, nursing research cuts across traditional research lines, and draws its methods from several fields.

This conference will give insight for nurse researchers on randomization, allocation, concealment, blinding, standardization of tools and ethics in nursing research.

We would like to invite you to register and participate in this enriching venture. Looking forward to meeting you in Mangalore.

Aim

This conference will aim to empower the nurse researchers' with knowledge and efficient learning about various issues of research in a larger manner.

Objectives

After attending this conference, participants will be able to;

1. Apply various categories of Random allocation in RCT's.
2. Understand various ethical principles to be followed while conducting the nursing research.
3. Analyze process of standardizing the research tool.
