Bulletin of the Alumni Association, Father Muller College of Nursing, Mangaluru

Jan. 2020 - Dec. 2021

25th year of Alumni Association (1997-2022)

Coming in..... going out strong and confident

What cover page speaks.....

Father Muller College of Nursing is not just a “Study Hub” it is a “Home of learning”. The cover page art depicts a strong tree with branches spread out across the globe and a mass of people standing beneath it. One side of the picture is colorless, and dark depicts the entry of the student at Mullers. The black & white portion indicates novices in the campus at the initial stage who are amateurs, uncertain, confused and halfway through in making any decisions. The other side is bright, colorful, and elegant, cheerful, and lively which shows the transition phase of the student life at Mullers. The brighter side has been made possible by the dedicated teaching, creative ideas, empathetic caring and motivational learning imbibed in the heart and mind of every student by the teachers, thus giving to the society refined, proficient and empathetic nurses. No wonder the name and fame of Father Muller College of Nursing has spread to every corner of the globe. The roots of Father Muller College of Nursing embodied in the heart of the people (patients) standing under its branches. All those who enter here are nurtured, comforted, and healed to lead better quality lives, filled with enthusiasm and zeal. This art is the creation of Dr Sunil Moothdath Alumni (M.Sc. batch 1998-2000) speaks volumes of his pride being a Mullerian. He is currently working as HOD and Professor, Pediatric Nursing department at Amrita College of Nursing, Kochi.

COLLEGE ANTHEM

We seek to grow in benign ministry
At this institute of renowned history,
Stirred by August Muller's great bequest
To give of our nurturing best.

We strive to ever be gentle and kind,
God's work to do amongst sick humankind
Pain to relieve, discomfort mitigate
To wellness rehabilitate.

Onward we go, ignited with zeal
To succor the sick, to comfort and heal;
And ever serve with cheerful smile,
Care, share and dare the challenging while.

Nightingale's cap reassures in distress
A symbol to soothe in suffering and stress
Competent tenderness that perfect blend
With which on our charges we'll tend;
We help to foster that most precious wealth -
Of people enjoying their vigor and health,
Life's priceless value to firmly uphold:
Our mission in letters of gold.

The words of the song have been composed by **Dr Giselle Mehta**, set to tune by Mr Joel Pereira, the orchestration is done by **Mr Benjamin Varghese** and is directed by **Rev. Fr Denis D Sa**
