15. The teachers illustrate the concepts through examples and applications

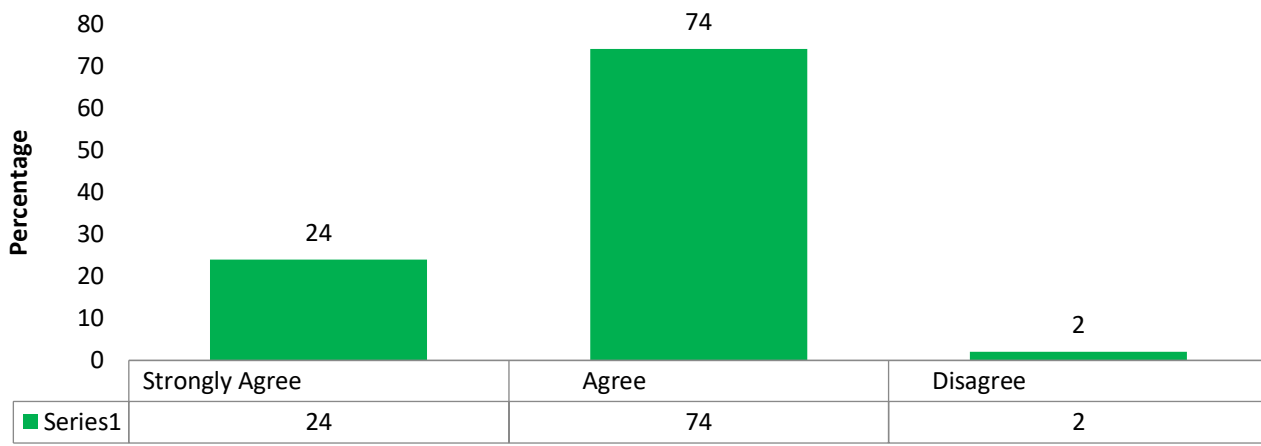

16. Students were encouraged to ask questions and given meaningful answers

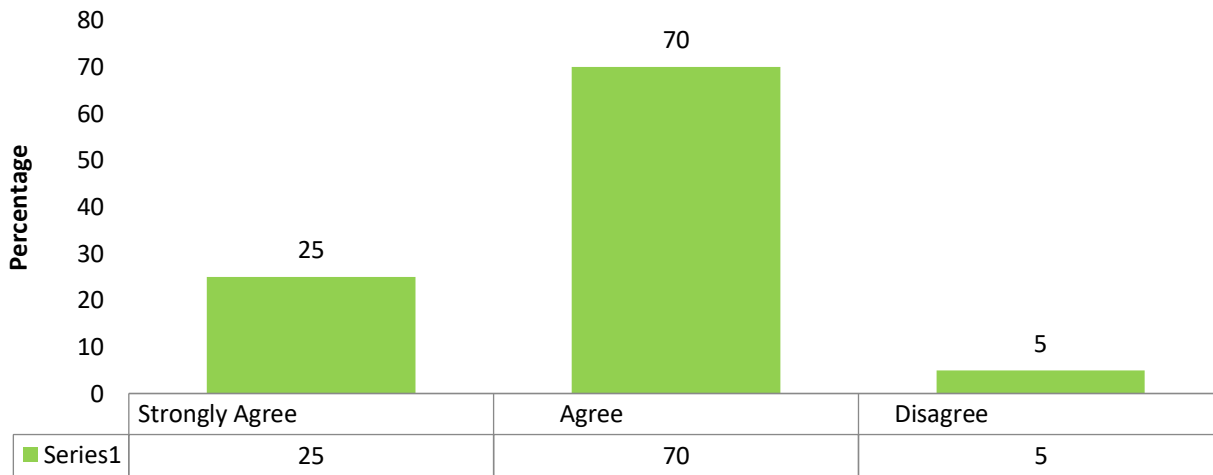

17. The teacher made students feel welcome in seeking help/advice in or outside of class

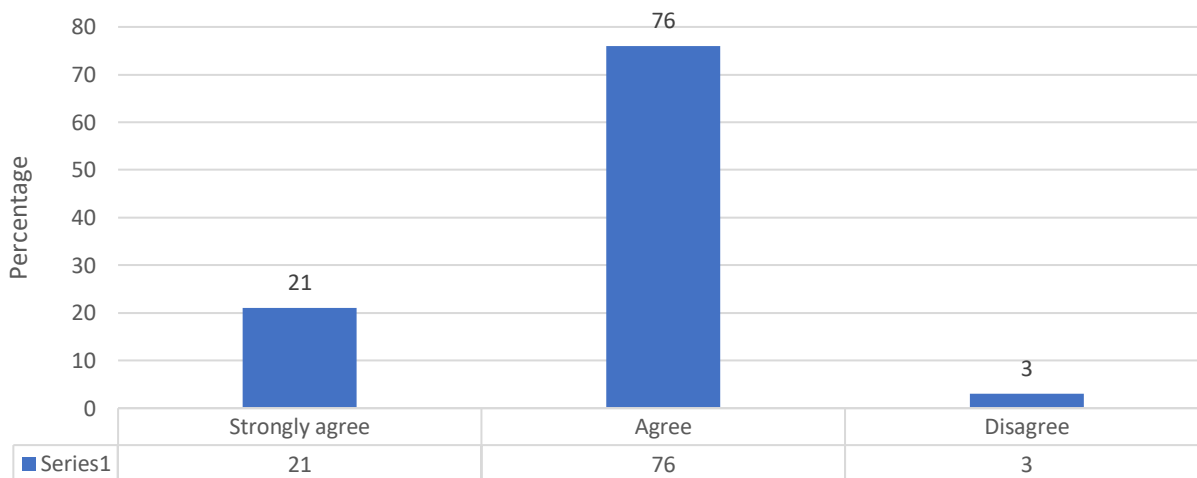

18. The teachers identify our strengths and encourage us with providing right level of challenges

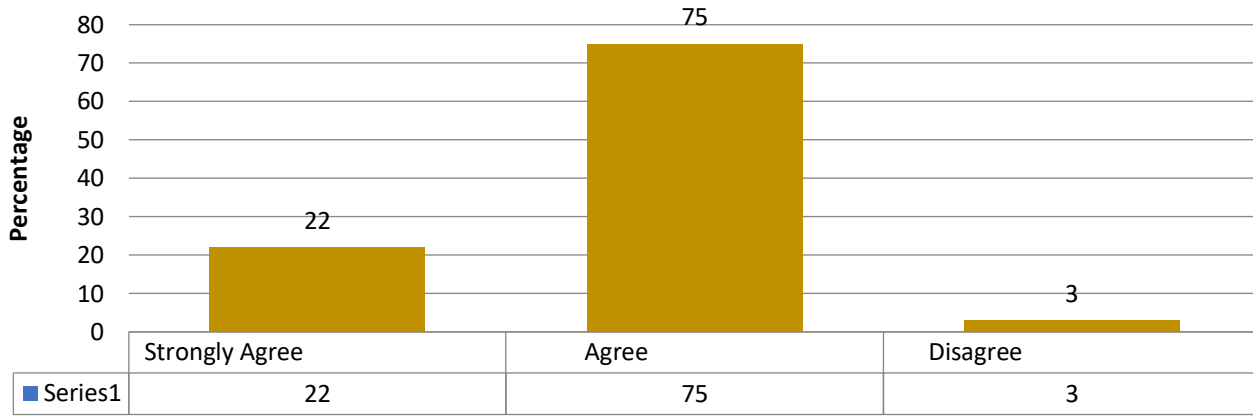

19. Teachers are able to identify our weaknesses and help us to overcome them

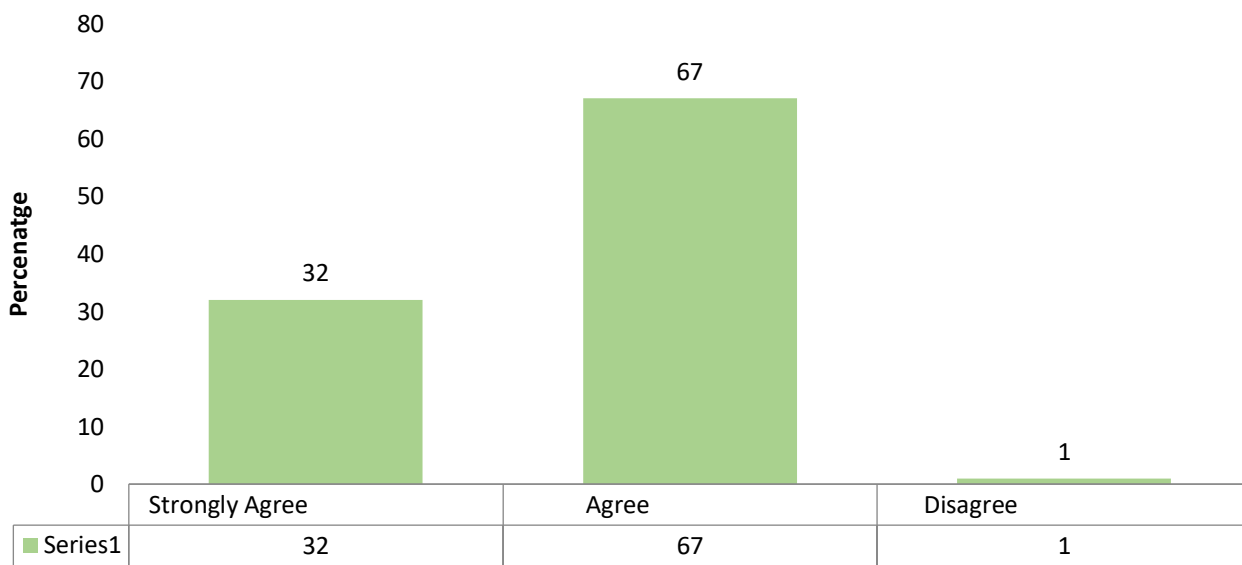

20. Institution make effort to engage students in the monitoring,review and continous quality improvement of the teaching learning process

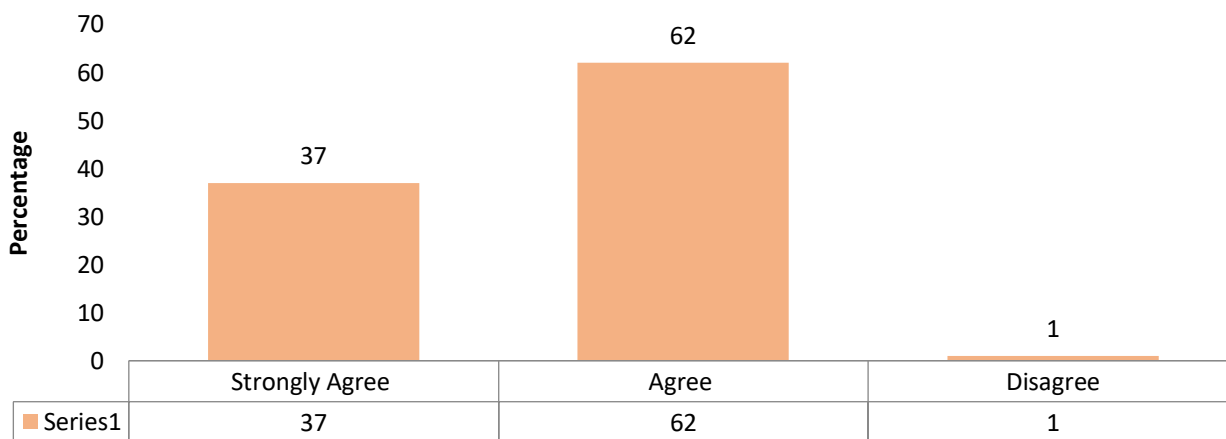

21. The teachers use student centric methods, such as experimental learning, participative learning and problem- solving methodologies for enhancing learning experiences

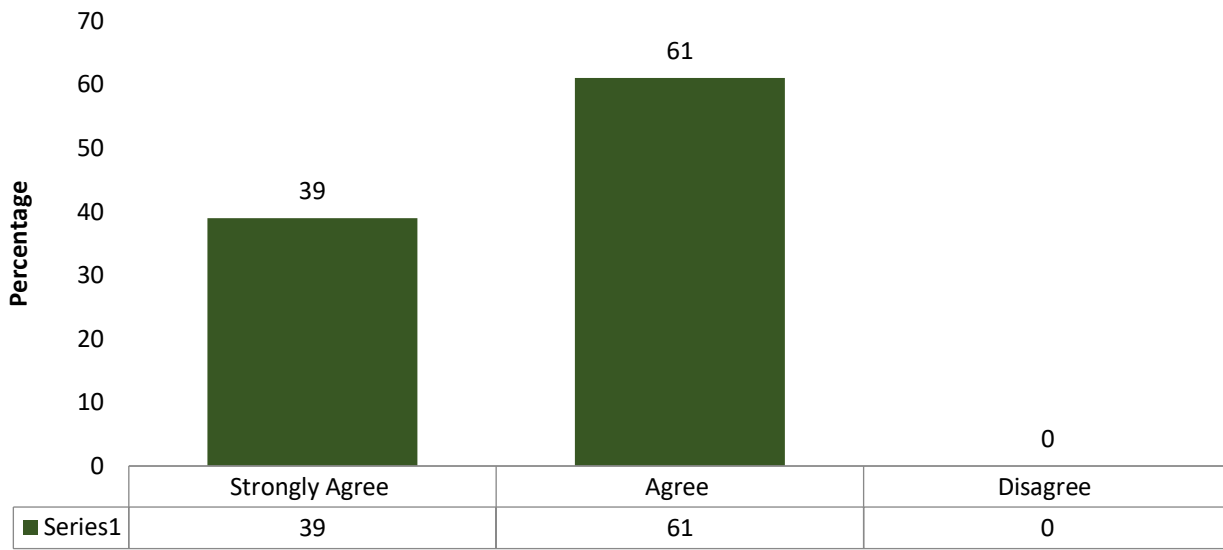

22. Teachers encourage us to participate in extracurricular activities

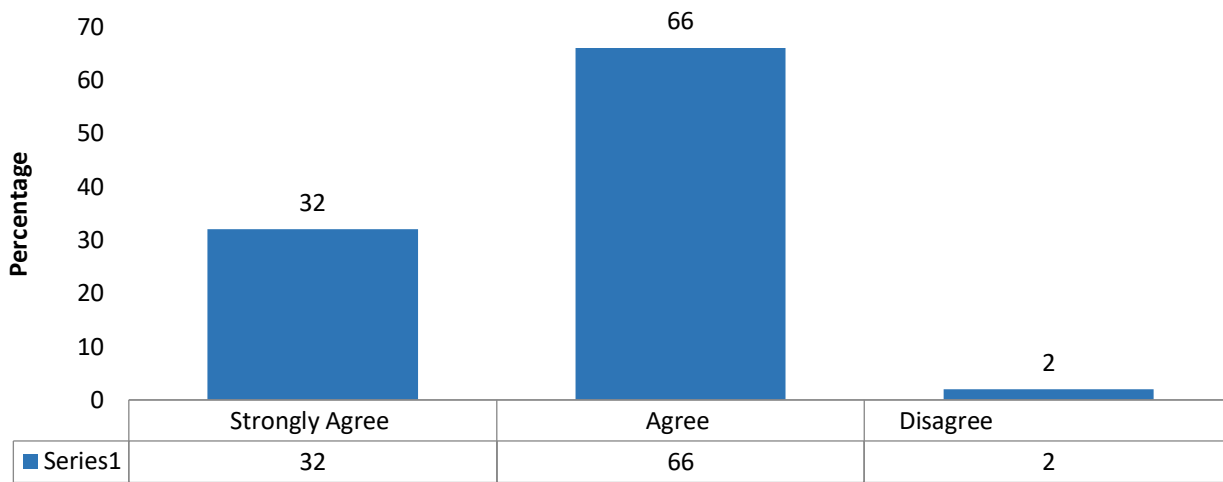

23. More than 70% teachers use ICT tools such as LCD projector, Multimedia, etc. While teaching

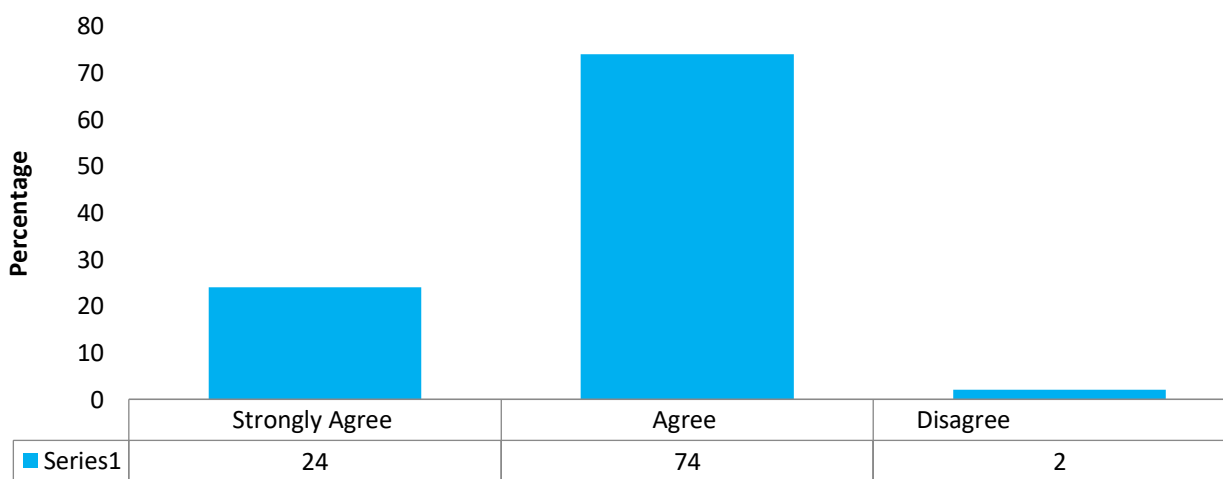

24. The prescribed books/reading materials are available in the library/department

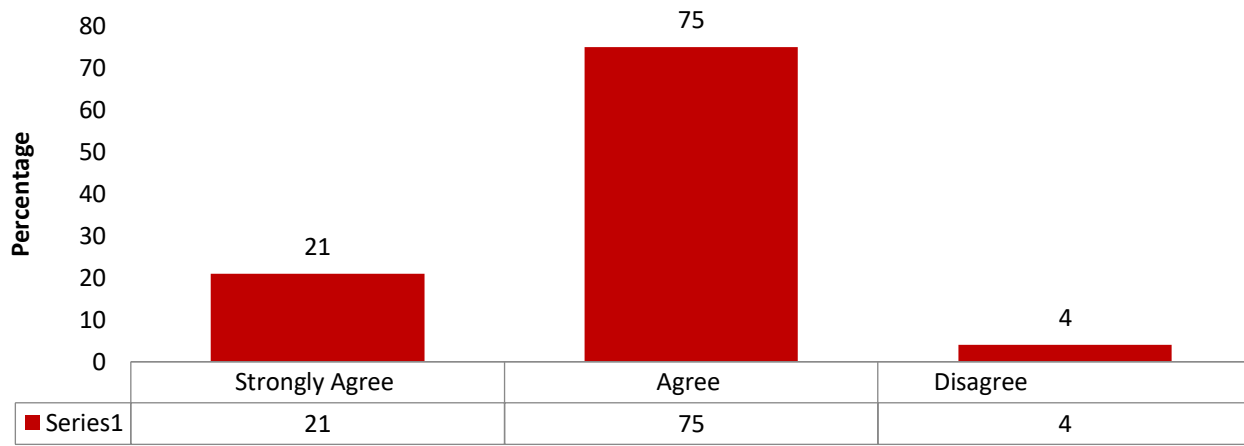

25. Online educational resources are available and accessible

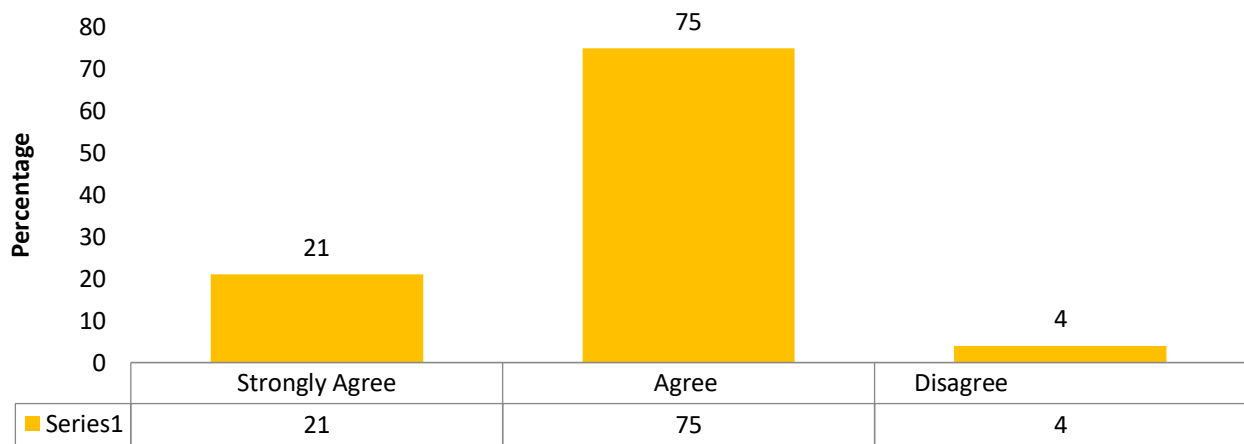

26. The overall quality of teaching- learning process in our college is very good

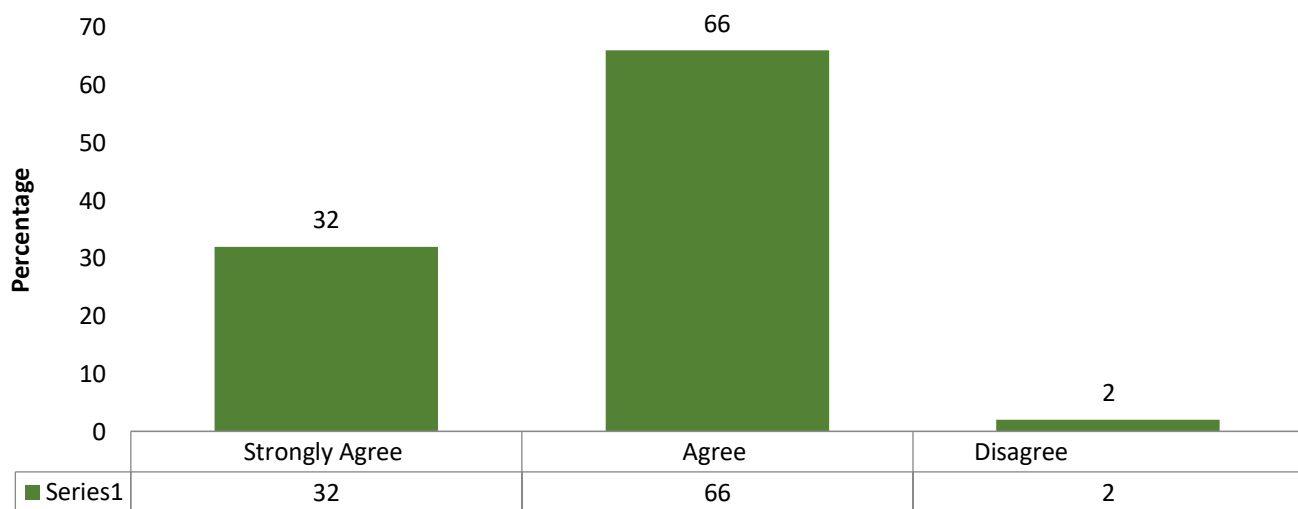

27. Efforts are made by the teachers to inculcate soft skills, life skills and employability skills to make us ready for the world of work

28. The institution assists in providing 100 percent placement within the institution after the completion of studies

29. Overall environment of the college and campus can be described as a pleasant place to learn

1. Give three practical observation/ suggestions to improve the overall teaching- learning activities in your institution.

- Overall teaching learning experience is excellent
- Printed notes should be provided
- Reduce partiality by giving opportunities to everyone.
- Give examples which are related to our own experience based.
- If we are submitting our requirements on time also we are not getting corrected copies on time.
- Teachers should be able to understand child's weakness, abilities and emotions.
- While evaluation of papers there should be uniform grading/marks distribution and marks should not be given according to the evaluating teachers wish.
- Decrease the class timings and encourage doing works by self.
- Research part should improve and guide has to know the things.
- Teach us through stimulation, outdoor experience and fun activities
- Include extra-curricular activities
- Better communication between teachers/college and student
- Classes should be more interactive.
- Give proper clinical demonstration in the labs, provide clinical equipment's in the ward
- Gloves must be compulsory to all the students in the wards.
- Kindly use the mics because people who sit at last rows cannot hear.
- It would be better that little more explanation on theory parts
- Self-learning opportunities to be provided.
- Enhance the interaction between students and teachers

- Provide more clinical exposure (OT, ICU).
- Give us those ward postings where we get more procedures
- Spend more time with students in the ward and teach them more practical things
- Teachers should come daily to ward, so that our vivas will complete in given time.
- Teachers should give short notes

2. I would like to contribute in making my college even better by:

- Being a noble and humble person to all and helping each other out.
- Being a good student
- Following guidelines
- Asking questions, giving feedback,
- Asking questions for assessing the student s ability and give more mnemonic to study easily
- Giving a positive feed back
- Co-operating with all activities of our college
- Making use of the theoretical knowledge which I gained from my college throughout my professional life
- Keeping my surroundings clean.
- Getting good results in university exam.
- By being Cooperative
- By participating and putting my views regarding college.
- Obeying the rules and regulations of the college
- Doing my duty/clinical in right and good way providing care and comfort to patients
- My hard work in studies
- Participating in the extracurricular activities provided by the college Making use of the opportunities given bythe college.
- By being a responsible student.
