Workshop on 'Computer Skill Training' for Non teaching staff

IQAC organized a workshop on 'Computer Skill Training' for the non teaching staff of the Father Muller College and School of Nursing on 15.07.2016 at 11.00 to 12.30 pm in the Syndicate Hall. Mr Jagadeesh K, IT Manager, FMCI was the resource person. Many of the teaching faculty also attended the session. He trained the participants on the advanced use of Microsoft word, mailing and merging, and briefly narrated on the recent windows, 8 and 10. Further, he explained on new softwares which are useful for the academic activities for the faculty and office use for the non- teaching staff. The session was very effective and practical.
