NAAC 'A' Grade

Affiliated to Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore

## Workshop on Innovative Teaching Learning and Evaluation Techniques

The Internal Quality Assurance Cell organized a two days workshop on 'Innovative Teaching Learning and Evaluation Techniques' on 4<sup>th</sup> and 5<sup>th</sup> April 2018 from 9am to 4.30pm in Rajath Bhavan, Father Muller College of Nursing. Prof. Ciraj A.M., Deputy Director, Manipal Centre for Professional and Personal Development and Professor of Microbiology at Manipal University, and Dr Anand R, Professor, Department of Pulmonary Medicine, KMC Hospital, Mangalore were the resource persons for the various sessions.

On day 1, the faculty explored the current trends in changing paradigms in nursing education, guidelines for effective delivery of lectures and use of power point. Various techniques such as Classroom Response System (CRS), brainstorming, Think, Pair, Share (TIPS), Buzz groups, Concept and mind maps and Case Based Learning were discussed. These sessions emphasized on student engagement techniques.

Day 2 covered foundations in student assessment, feedback, Problem Based Learning (PBL), Workplace Based Assessment, Assessment tools such as logbooks, Mini Clinical Evaluation Exercise (CEX), Directly Observed Procedural Skills (DOPS), Mini PAT (Professional Assessment Test) and Portfolio. The speakers also touched upon the upcoming trend, 'Inter-Professional Education' which is the need of the hour.

A total of 50 faculty from both School and College of Nursing benefitted from the sessions which focused on approaches to scaling up professional development among nursing educators.
