Research update on Sample Size

IQAC of the college organized a research update on Sample size for the faculty on 10.06.2017 in the Syndicate Hall at 08.30 a.m. Mrs Sucharitha Suresh, Asst Prof & Statistician, FMCI was the resource person for the workshop. She worked out the formulae for descriptive, comparative, prevalence and correlation study. The faculty calculated the sample size for the given examples. It was learning by doing session. The coordinator thanked the resource person, principal and faculty. The session ended at 09.45 a.m.
