HISTORICAL BACKGROUND OF THE INSTITUTION

Father Muller Nursing College Thumbay (FMNCT) is a unit of the Father Muller Charitable Institutions (FMCI), a Registered Society sponsored by the Catholic Diocese of Mangaluru. Established primarily for the benefit of the members of the Christian Community. It is affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), Bengaluru and is recognized by Karnataka Nursing Council (KNC).

From its humble beginning from a mere dispensary of homoeopathic pills, FMCI grew into a Leprosy Hospital and later on expanded into an Allopathic Hospital, growing and expanding according to the times.

With the growth of the hospital need for increased nursing care was felt and thus was started the Father Muller School of Nursing (FMSON) in 1959 for GNM and in 1987 Father Muller College of Nursing (FMCON) for B.Sc. Nursing both being the first in the Private Sector in the State of Karnataka. The Post Certificate B.Sc. Nursing Degree Course (PB B.Sc.(N)) of two years duration for upgrading those with Diploma in General Nursing and Midwifery (GNM) was started in 1988. All these courses started under Mangalore University is now under RGUHS.

In response to the pressing need of the professional Nurse leaders and Nurse Educators, Post Graduate degree programme in Nursing was started in 1992 in 5 specialities. FMCON now stands as an “Edifice of Enlightenment and Empathy” has celebrated its glorious 25 years of its successful existence. The National Assessment and Accreditation Council (NAAC) has accredited FMCON with 'A' grade (in its first cycle) making it the first Nursing College under RGUHS to be accredited. Gradually the hospital becomes a vast health care complex consisting of 1250 beds multi speciality hospital with Graduate and Post Graduate Programmes in Medicine, Nursing and Allied Health Sciences.

The demand for professional medical care in the rural region, FMCI took over the 50 bed Thumbay Hospital in 2013. The hospital rechristened Father Muller Hospital Thumbay (FMHT) had an exponential growth, gaining the trust of the people in the region, becoming a 100 bed Hospital in 2019. In 2022 along with other specialities FMHT started Dialysis Unit. The Hospital has an entry level NABH certificate attained in 2021. As the Hospital grew, the need for trained nursing care was felt and thus the Institutions embarked on the FMNCT.

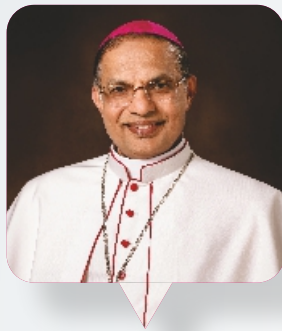

FMCI in 2021 obtained No Objection Certificate from the Government of Karnataka and in 2022 the FMNCT came into existence with an annual intake of 40 students, under the RGUHS and recognized by KNC.
